

Bulk Wine Storage Racks

Wine shelving utilises two basic modules. One for Bulk and one having Individual components.

BULK modules have five levels each accomodating 12 bottles.

Use shelf 600 x 300mm x 2000mm high to house two (2) modules or 1200 x 300 x 2000mm for four (4) modules - giving 240 bottle storage.

Standard finish Black Powder Coat
Stainless Steel as required
