

Individual Wine Storage Racks

Wine shelving utilises two basic modules. One for Bulk and one having Individual components.

INDIVIDUAL compartment wine racks hold 39 bottles each in their own space. For greater storage use 600 x 300mm x 2000mm high post shelving to hold 2 modules. And 1200 x 300mm x 2000 high post shelving to hold 4 modules

Finish: Black Powder Coat or
Stainless Steel
