HARDWARE
Legs and Mounting Plates

Mantova’s Adjustable Stainless Steel Legs and Leg Plates are designed for easy installation to benches and catering equipment. Stainless Steel Legs are adjustable to variations in flooring levels and allow the required Food Safety Regulations access height for cleaning under benches and equipment.

STAINLESS STEEL LEGS

50mm Diameter Stainless Steel Legs supplied with a heavy duty Glass Filled Nylon adjustable foot.

- Available in 4 Standard sizes

Adjustable Feet

**DISC, LUG + PIN FEET**
Adjustable feet allow for variations in floor levels and can be fixed to the floor for extra stability. Adjustable feet can also be used at both ends of a shelf post to tie the shelving unit to the roof and floor.
